

Annual Report: 2018-19

Here is a brief report on the activities and achievements of the school during this academic year.

Centurion public school aim at nurturing the life skills among the children giving the main focus on the academics where excellence is the tradition. Centurion public school marched towards excellence in academics under the able guidance of the Director Shri. Pradeep kumar Sarangi.

We are eagerly waiting for the CBSE results of the current year in which we are hopeful of getting 100 % Pass along with a high Performance Index. All efforts are made in this direction which include timely coverage of the syllabus, regular tests & follow-up action, remedial teaching to the slow learners and regular interaction with the Parents.

The competitive spirit is encouraged among the children by conducting various competitions in the school and also by sending outside. They participated in various competitions conducted by outside schools and also by Centurion public school at Regional and brought laurels to the school. The students are trained to participate inter school Science exhibition and Maths Olympiad. Five of the Social Science Exhibits are selected for Regional level exhibition.

Regular Games and Sports activities are given equal importance. Annual Sports Day was celebrated with pomp and show on 16th Nov 2018. Special coaching was given for 15 days in the summer vacation in table tennis, swimming, volley ball.

Teaching values and life skills are part of the curriculum. Integrity Club has been established which aims at nurturing values in the young minds. All important occasions like Independence Day, Teacher's Day, Vigilance Awareness Week, Republic Day, and Thinking Day are celebrated in the Centurion public school highlighting the rich culture of our Nation.

Selfless service is our motto. The school boasts of 25 % enrolment into social service work. Children starting from Std. III onwards participated

enthusiastically in the social work activities and competitions.

Guest lectures were given by eminent Persons in guidance and counseling and in Carrier Opportunities.

Thorough medical check-up has been done by the Medical team of balangir medical. I thank the team for the personal care taken by them in conducting the health check-up.

Utmost care has been taken to improve the infrastructure of the Centurion public school to provide congenial atmosphere. Chemistry lab is renovated. Biology lab was colour washed. Library has been expanded. All the toilets in the main block have been totally renovated. Garden has been developed. Annual maintenance of the class room has been taken up .

A separate computer lab with LAN and internet facility has been established in the Primary block. Students from Class I are enjoying the benefit of hands-on experience of the computers. The Centurion public school launched its own website in which all the latest developments of the school are displayed. The website address is “cpsblgr.cutm.ac.in”. The website will be updated by our own staff who are specially trained.

Three rounds of Annual academic inspection and Audit inspection were conducted and both the teams expressed satisfaction about the conduct of the activities in the school.

I hope that you will enjoy the cultural show and encourage the children.

Thank You
