

## **JAI JAGANNATH**

Life is a vicious cycle where we strive for excellence in every endeavour and accomplishment.

Bhagavad Gita says, Karmanye wadhika raste, maa falesu kadachana. “You have the right to work, but no right on the result or fruits.”

Nevertheless, It is essential that we reflect on our institution’s journey and annual performance during the 2024-25 session. By upholding the principles of righteousness, we have successfully navigated our path towards holistic approach.

A warm welcome to everyone present here. On behalf of the JITM (Centurion Public School) family, I would like to extend my heartiest congratulations on a joyous annual function celebration of the year 2024.(phoenix-2024)

I pay my warm regards to our guest of honour, the revered Mrs Amritpal Kaur IPS, ASP Balangir whose presence has added immense charm to this momentous occasion. I would also like to express my deepest gratitude to our Regional Director Dr. Pradeep Kumar Sarangi. The esteemed presence of these distinguished dignitaries has enriched our event and contributed significantly to our institution’s pursuit of milestone. I also welcome the gracious presence of our parents and dedicated teachers, who nurture the delicate hearts of the students. Lastly, I would like to acknowledge and appreciate all the little soldiers of our institution.

Our institution has been constantly striving to draw out the best from within the students. To achieve our long term vision, our institution has initiated many remarkable ventures. I hereby now present to you a glimpse of our multifaceted annual report.

### **Academic performance:**

- The academic session 2024 is a testament to our institution's excellence, marked by exceptional results from our students. Notably, 16 students achieved an impressive 90% in Class X, with the highest score being 97%. Furthermore, three of our students secured more than 90% at the intermediate (XII) level, with the highest score being 96% in session 2023-24 CBSE board exam.
- Marking a significant milestone, we have introduced Commerce as a novel stream, expanding our academic offerings and providing students with a wider range of choices for their future endeavours. Like science and humanities it's immensely going to help our students by offering multidisciplinary courses.
- Shiksha Saptah was celebrated to promote the spirit of collaboration, innovation and educational excellence.

- The Fit India School initiative has played a pivotal role in nurturing sportsmanship and promoting a culture of fitness amongst our students. By instilling healthy habits and a lifelong commitment to wellness, this program has been instrumental in shaping the minds and bodies of our students.
- The Centurion Market programme by students of 1 to 5 where students act as vendors and vegetables and fruit sellers has fostered life skills like transaction of money in buying and selling products.
- The school has also Conducted Aryabhatta Ganit challenge, reading challenge, and Heritage India Quiz to learn and compete in the national level competitions.
- A studious environment is indispensable for students. The implementation of a reading room with tablets celebrates both the technological boon and a wholesome platform to study.
- A robotics lab with 3 d printer has been installed in the school for inevitable digital age and Machine Learning for students.
- A healthy life is no where left behind, where awareness for cervical cancer campaign is also a part of our curriculum.
- The celebration of festivals like pre Holi, pre Diwali and Ganesh puja is observed for amusement and delight.

### **SPORTS and Extra Curricular Venture**

All work and no play, makes Jack a dull boy.

The sports spirit is also celebrated as one of imperative activities in the academic forum. Very recently the school has conducted the annual sports to make the students FIT, learn discipline as well as to learn and bear the taste of failures. After the athlete meet, some students got disheartened and cried too. My lovable students, don't ever lose hope, Zindagi ke yahi reet hai, haar ke baad he jeet hai. Practice More and learn from failures.

Kabya Rani Hansa, a Class IV student won gold medal at the event held at Kolkata's iconic Netaji Indoor Stadium, bringing immense pride to our school.

Taking us to a new horizon, our students have received immense accolade by securing 1<sup>st</sup> prize in the Independence day Celebration held at Manoharpur ground.

1<sup>st</sup> prize in NCC parade.

- Observation of Vanmahotsav has created tradition of tree worshipping and awareness of forest conservation.
- Food fest has incredibly fostered the spirit of brotherhood and art of sharing.
- Poem Paloozas also inculcated the art of creative writing among students.

Over the years, Centurion Public School has consistently demonstrated remarkable achievements by its students. The school has established a prestigious benchmark, earning appreciation and prizes at the district, state, and national levels. Our students have always showcased their true potential, bringing honour to their alma mater.

These achievements showcase the school's commitment to nurturing students' talents and empowering them to excel in their chosen fields. The Centurion Public School does not stick to only academic development but has a holistic approach. The art of exposure and explore is always the first priority of this institution. We hope to see more heights where we reach the zenith.
